

INTRODUCING THE TRANSFIGURATION SCHOOL CLOTHESLINE

Do you need to replace a lost uniform?

Are your kids growing faster than you anticipated?

Are you looking for a way to recycle and reuse school uniforms?

If you responded yes to any of these questions, then the Transfiguration School Clothesline is just the answer for you!

What can I donate?

Donations are limited to clean Flynn and O'Hara uniforms in wearable condition.

How do I donate uniforms?

There is a collection bin in the school lobby for convenient drop-off.

Just send donations into school with your children. It's as simple as that.

When can I buy uniforms?

There will be designated shopping days such as after the 10:00 a.m. Sunday Mass; at Parents' Guild Meetings; at the Christmas Tree Sale and Book Fair; at Back-to-School Night; and occasionally after school, or during other special events. All shopping days will be promoted well in advance.

How much are the "pre-owned" uniforms?

There are no prices listed for the uniforms. There will, however, be a donation box. Donations will go to a worthy cause, and are greatly appreciated.

What happens to the money I donate when I choose a uniform?

Funds raised through the Clothesline will be used to support the students at St. Joseph the Worker School in Soyapango, El Salvador.

Who is running the program?

A volunteer parent will manage the Clothesline program with community service support from Transfiguration 7th- and 8th-grade students. Student volunteers help to sort and organize uniform donations. For more information, please contact: Cristina Sullivan at 332-4726 or send an email to Clothesline@TransfigurationSchool.org.

Donate your school uniforms, now!

The Clothesline collection bin is located in the school lobby.
