

**TRANSFIGURATION SCHOOL VOLUNTEER INFORMATION FORM**

Volunteerism is often the way individuals choose to express their values, interests and passions. At Transfiguration School, our volunteer opportunities offer something for everyone. Whether helping a class with an event, serving on the Parents' Guild Executive Board, or supervising lunchtime recess, there is a place for you. If you played basketball in high school or college, maybe you can get involved with our basketball program. Or, if you work locally, maybe you can use your lunch hour once a week to volunteer for playground duty. Without your help and manpower, many events and programs simply would not exist. Parental involvement is vital to the success of Transfiguration School. To get involved, complete the volunteer information form below and return it to the "Transfiguration School Volunteer Team". It's that simple.
